---

1. Discuss about the various SQC techniques and the role of software in them.
  2. Explore the relationship of Quantitative Techniques in Business Intelligence.
  3. Write about ten websites which can help you learn about quantitative techniques and also carry out various calculations.
  4. Write a note on Quantitative Decision Making.
- 

- ✓ Take a bag with you whenever you go shopping to the market. That way, you avoid bringing polybags which ultimately finds its way to the waste basket. These are not bio-degradable and harm the environment.
  - ✓ Take the print out of this assignment in a paper which is already used on one side. This can help save paper and associated costs. In fact, make it a habit to always use papers to the optimum. Even envelopes just thrown away can be used to do rough work.
  - ✓ Check to see that all electrical appliances are switched off when they are not being used. Switch to LEDs. You can do a lot to save power.
  - ✓ Walk or Cycle whenever possible – you not only get health benefits and learn to enjoy nature but you also save money and the environment.
  - ✓ Make it fashionable to be environmentally conscious and aware. You can make a real difference to the only place we have to live called EARTH.
